Game:

Youngest goes first. Roll one die. Move to spaces indicated. If you land on stones, beware, you will be moving back. Read statement...our parent read...If you land on Bridges, lucky you, you will be moving ahead. Take turns. If you land on a stone and have to move backwards and then land on a bridge, you **May Not** read statement...turn is over. Same with the Bridge...your turn is over.

For Family night...discuss ways in how you Choose the Right, and how easy it is to cross a bridge than crossing on stones when going over a river.
