**Instructions for Handouts:** Cut out questions and place cards on the game board face down. You will need a game piece for each player. Youngest is first. Take turns answering the questions. If you can't answer, then that is a strike and the play goes to the next player. If you answer, (some questions need a correct answer) then the player moves 1, 2, 3, or homemin (HR) which ever is on the card. Have a score keeper keep track. **(Optional: if you play in teams then you can have 3 strikes before the team is out)** If the player says, "I don't know" then that is a strike. It is okay to make up your own rules and questions. **Have Fun.**

### Instructions for Sharing Time:

Prepare baseballs with questions on the back. For example: How old do you have to be a missionary?

Mark on question how many bases to move. For Home Runs the questions could be more difficult to answer.

Set up a chair for each base. Have a teacher mind that base so they can help the runner move from base to base. **NO STEALING BASES**

On the board

Make teams

Boys		Girls	
Score			
<u>Strikes</u>		<u>Strikes</u>	
<u>Outs</u>		<u>Outs</u>	

You or a leader is the ump

Pick a pitcher from the opposite team to pick a baseball out of a baseball cap and read the question to a player. Have the player stand in front like they are up to bat.

Read question and have player answer. For junior primary all the questions should be easy to answer and they can have coaching from their teachers.

To get a Strike:

If the batter takes too long to answer.

If the team is noisy or irreverent

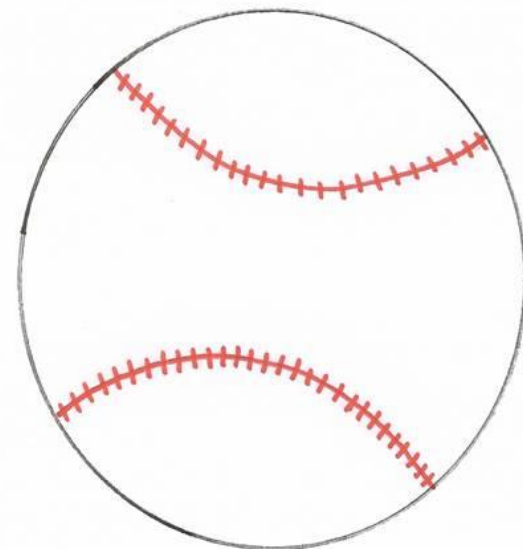

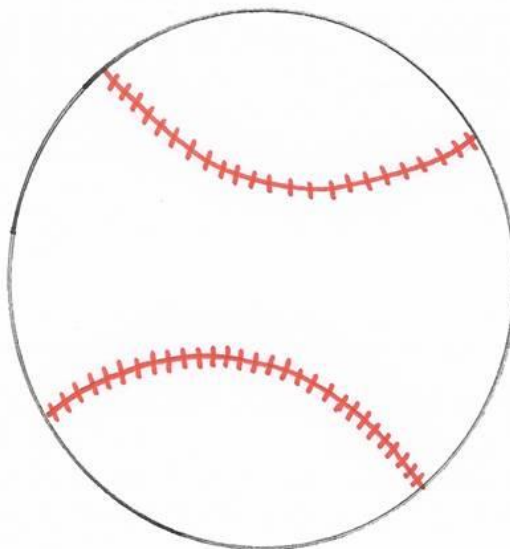

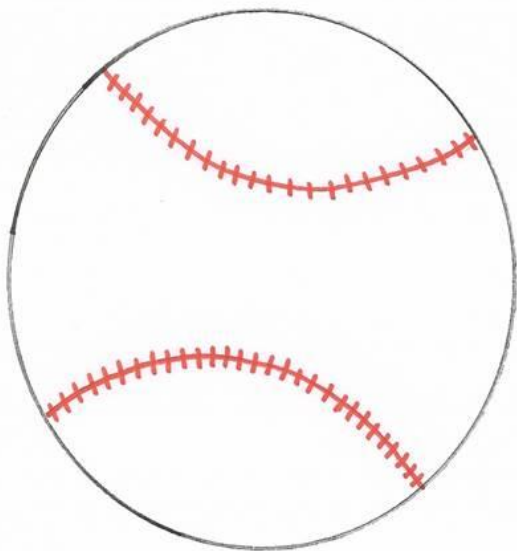

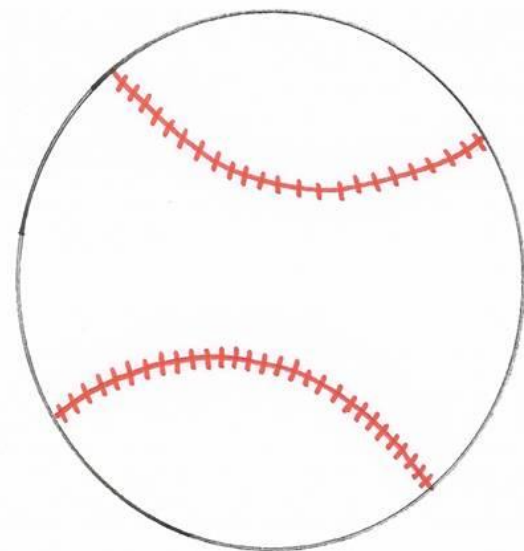

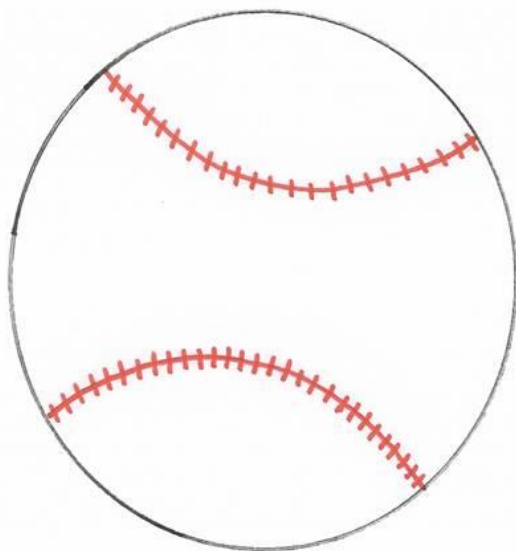

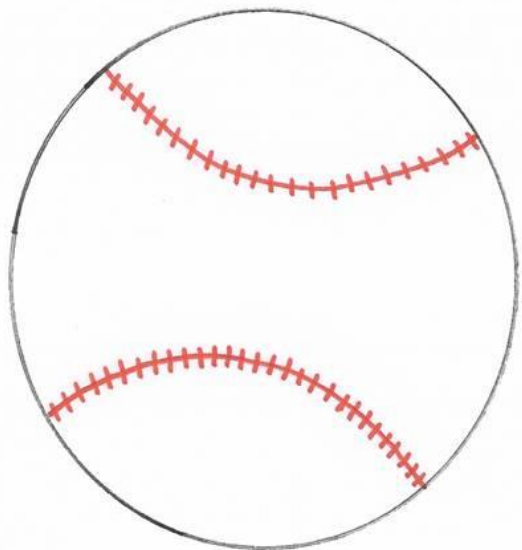

Senior—if the batter says, "ummmmm." And any other times the ump thinks it should be a strike.

To get an out:

If the answer is completely wrong.

If they don't answer anything and says, "I don't know"
