Pick a service card

Sabbath Day

Give 1 blessing dollar to any player

Pick a Blessing Card

* Cut along this line to join the other side of the board *

Only cut this side if you are going to put it in a file folder

Home Dice:

Copy on cardstock, cut, fold, and tape together.

About the dice:

Do as indicated. Go to Baptism Day and receive. Sorry no admittance—your turn is over. Read scripture---read (help younger ones) Sing---everyone can sing--it will be up to the player.

Copy off game board on card stock; or on paper and glue in a file folder matching the squares (**You will need to cut the Blessing board the same as Service board to make the board fit into the folder**) Copy off Blessing cards and glue blessing sayings on back, do this for the service cards too. There are two blessing card sheets, and two service card sheets make 24 cards each. Cut, glue, and place on board where indicated.

Copy off as many blessing dollars (1,5,10, and 20) with different colored paper.

Example: 1 pink, 5 on blue, 10 on green, 20 on white. Cut blessing dollars.

Copy home dice. Cut and fold and tape together using tabs for inserts.

Materials needed for game: one regular die plus the home dice, scriptures, game board, buttons for markers, blessing dollars, blessing cards, and service cards.

To Play the Game:

1. Appoint a player to be the **MP (Mission President)** to handle the blessing dollars.
2. Place all player markers on P-Day. This is where players will start.
3. Youngest goes first. Roll the normal die. Move according to number. If the player lands on a house or apartment the player then rolls the Home Dice and does what it says to do.

Others may help the players when needed.

4. Next player---same and continue.

5. The game ends when you want it to. When the game is over all the players count up his/her blessing cards, whoever has the most blessing dollars wins. (you can set an allotted time) The game could also be over when there are no more blessing dollars in MP bank.

What do the spaces mean?

Spaces: Apartment/homes---roll Home dice then do what it says

Dog and Bike: Move back two spaces—do not roll Home dice...players turn is over.

P-Day---just relax, or choose a blessing card or a service card.

Blessing or Service Cards: pick from the indicated pile and do as it says. When it says to give blessing dollar to another player it should come from the player's own pile not the MP's. If the player does not have any blessing dollars then he/she can receive one from the MP to give.

Transfer space: The player may move to any space he/she wants and do what it says.

Temple, Sabbath day, baptismal day have either receive or give blessing dollars

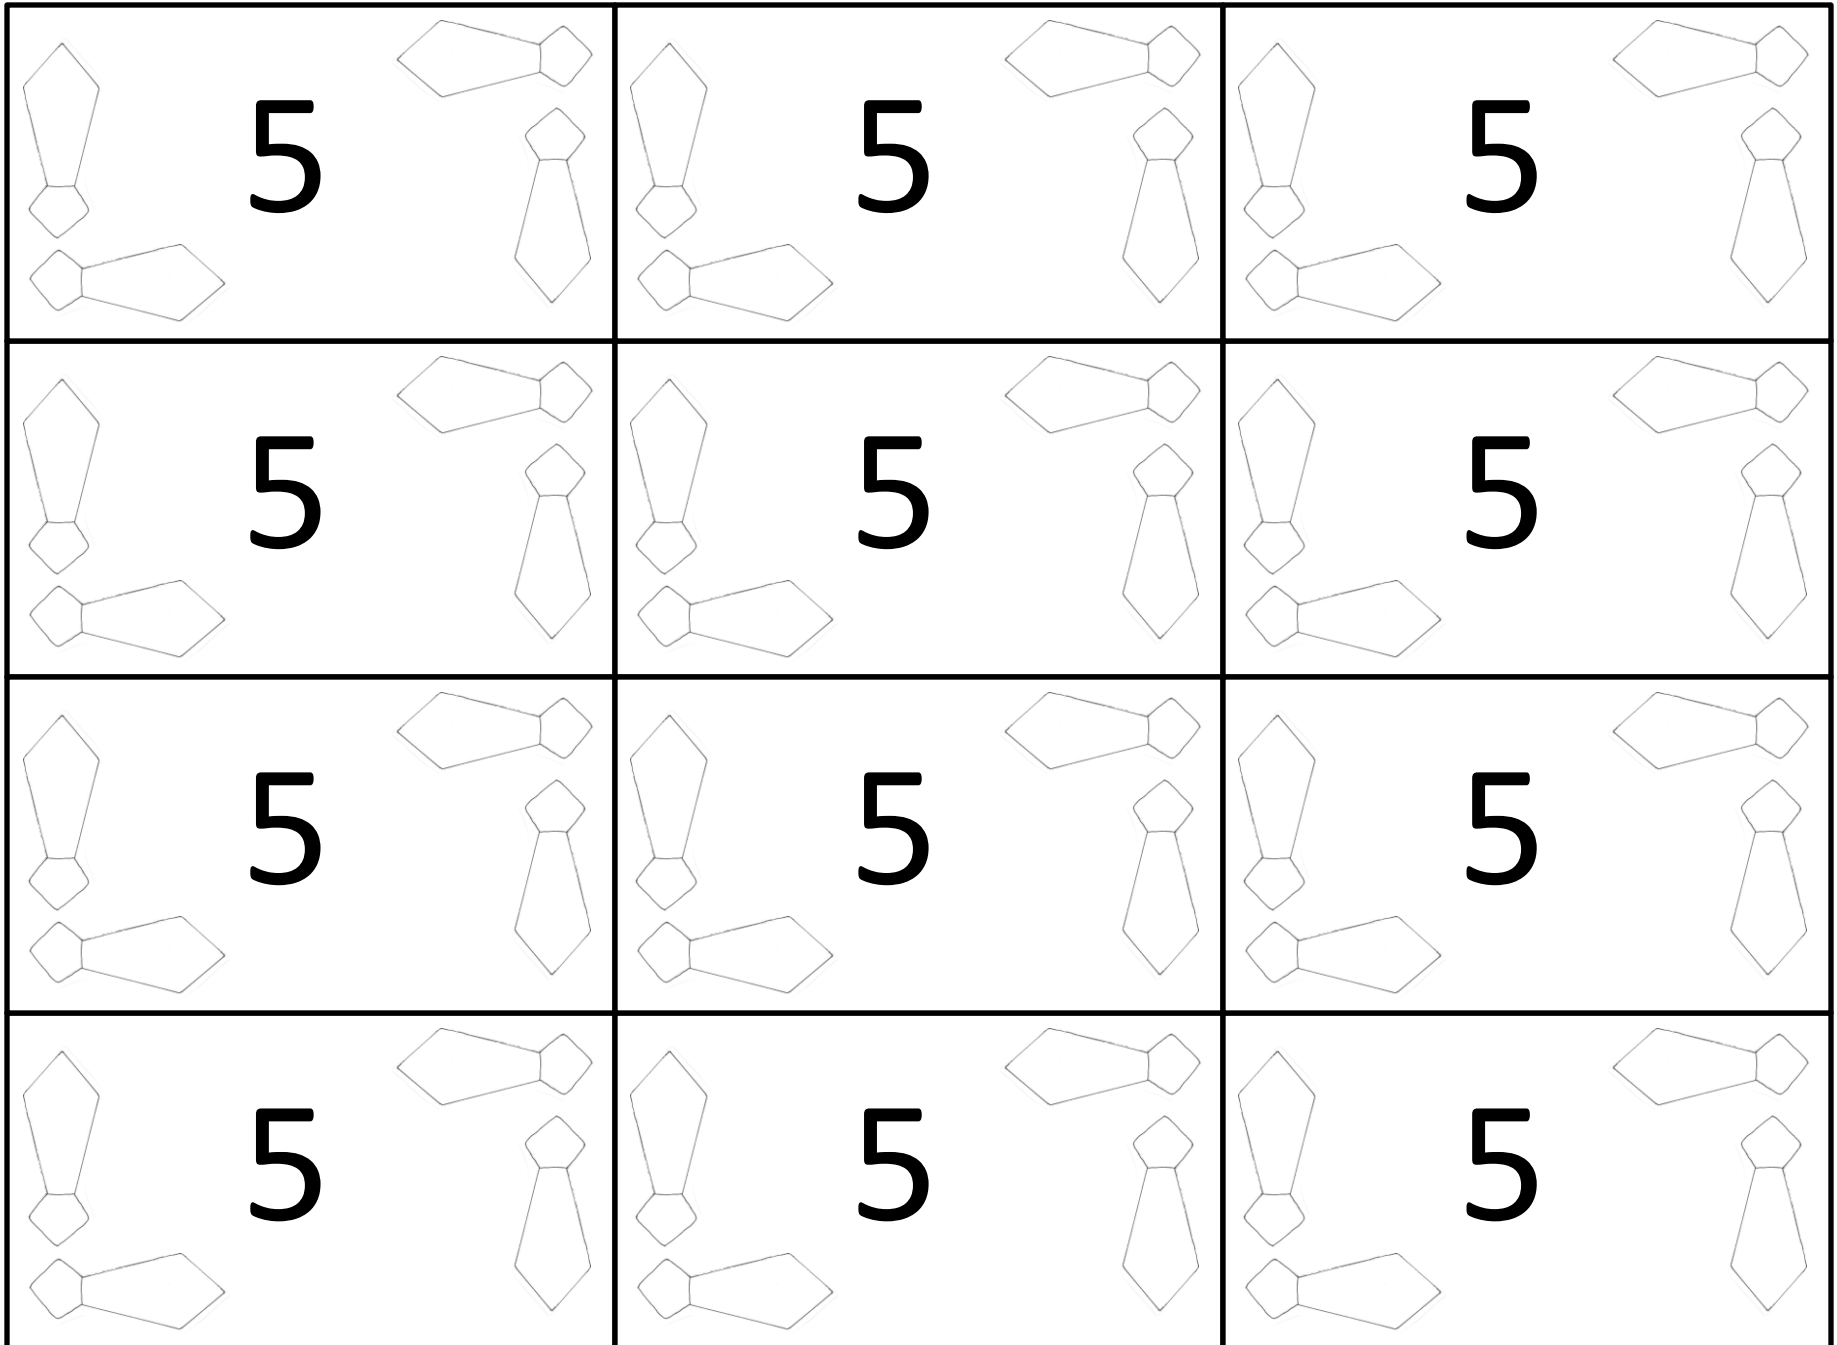

Sick day space: If a player lands on this space—lose one turn.

Blessing Dollars copy on white paper- cut...copy as many as you want.

Blessing Dollars copy on green paper- cut...copy as many as you want.

Blessing Dollars copy on blue paper- cut...copy as many as you want.

Blessing Dollars copy on pink paper- cut...copy as many as you want. (you will need more than one sheet)
