

You can use
either words
or just colors

You can copy off on your own colored paper, or you can color them or your child.

Instructions: Red Light, Green Light File Folder

Page 1: traffic light...Copy and paste on one side of the folder

Page 2: Traffic light with words (you can use this or page one depending on age of child). Copy and paste on one side of folder.

Page 3: Holding page...Copy and paste on other side of folder. Laminate. Use sticky Velcro circles and place on small circles. Use soft side for the traffic light and for the holding page.

Page 4: Circles. Copy, cut, laminate and cut. Use sticky Velcro (rough side) in the middle of the circle on the back side.

Page 5: You can copy off on colored paper, or you can color them or have your child color them.

Page 6: Black and white traffic light. Color your own.
