Don't Repeat the Wrong

Copy off faces for lesson.

Copy faces (2 pages). Copy statements, glue on back of faces and use them for lesson

You take a toy from a friend's house that doesn't belong to you.

You lie to your mother about not cleaning your room when you said that you would.

You hit your brother because he wouldn't let you play with his toy.

You talked and giggled all through Primary Sharing time.

You didn't ask your mom if you could go over to a friend's house. You went anyway.

You take some candy from the store and put it in your pocket without paying for it.

You get into your dad's shaving cream and spread it all over the bathroom mirror.

You take money from your mom's purse without her knowing.

You play in your room at night even though you know you are supposed to go to sleep.

You take your tithing and use it to pay for a toy at a store.

You take something from your sister and then lie that you don't have it.

You pretend you are sick so you don't have to go to church.
