Instructions: Turtle Color file folder

There are many different ways you can use this folder.

Page 1: Sample page

Page 2: Copy turtle page and paste on one side of folder.

Page 3: Copy beach page. Paste on other side. Laminate. Use sticky Velcro circles (rough side) and place on under the letters. Place Velcro (rough side) on holding page using sample on page 13.

Page 4: Colors with names...Copy, cut, laminate, cut. Place sticky Velcro (soft side) on backs matching up the hexagons to the turtle hexagons.

Page 5: Just Color hexagons...same procedure as 4.

Page 6: Just the turtle and colors no background.

Page 7: Just the turtle and no words background.

Page 8: Black and White, color your own turtle and background.

Page 9: Black and White, color your own background or holding page.

Page 10: Black and White, color your own turtle.

Page 11: Black and White Hexagons with words, color your own.

Page 12: Black and White hexagons, color your own.

Page 13 and 14: Sample of placement (holding page) of hexagons.
