

Dice and Instructions for My Friend's Game

- ♦ Copy one Dice page (Card Stock)
- ♦ Copy one Hexagon picture page for each player. (Card Stock) Page 1 and 2.
- Copy one or two extra children's pictures for more friends. (Card Stock)
- ♦ Copy one Hexagon word pages. You will have more names than pictures.

1. Cut out dice. Fold all lines. Tape or glue edges together.
2. Cut out Hexagon pieces. Glue boy names on back of boy pictures and girl names on back of girl pictures.
3. Laminate if possible.

Game:

1. Have youngest go first. Roll dice. Choose a friend (Hexagon picture) that is the **same** color rolled. Read the friend's message on the back and place on "My Friends" hexagon matching the color. This makes a flower. Take turns rolling dice. To win the game all the edges of the player's Hexagon is full.
