

"Don't kill the little birds,
That sing on bush and tree,
All thro' the summer days,
Their sweetest melody.
Don't shoot the little
birds!

The earth is God's estate,
And he provideth food
For small as well as great.
(Deseret Songs, 1909, no.
163.)

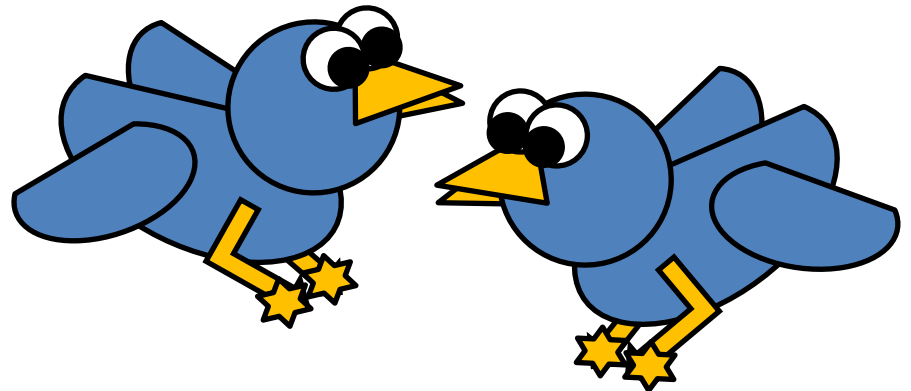

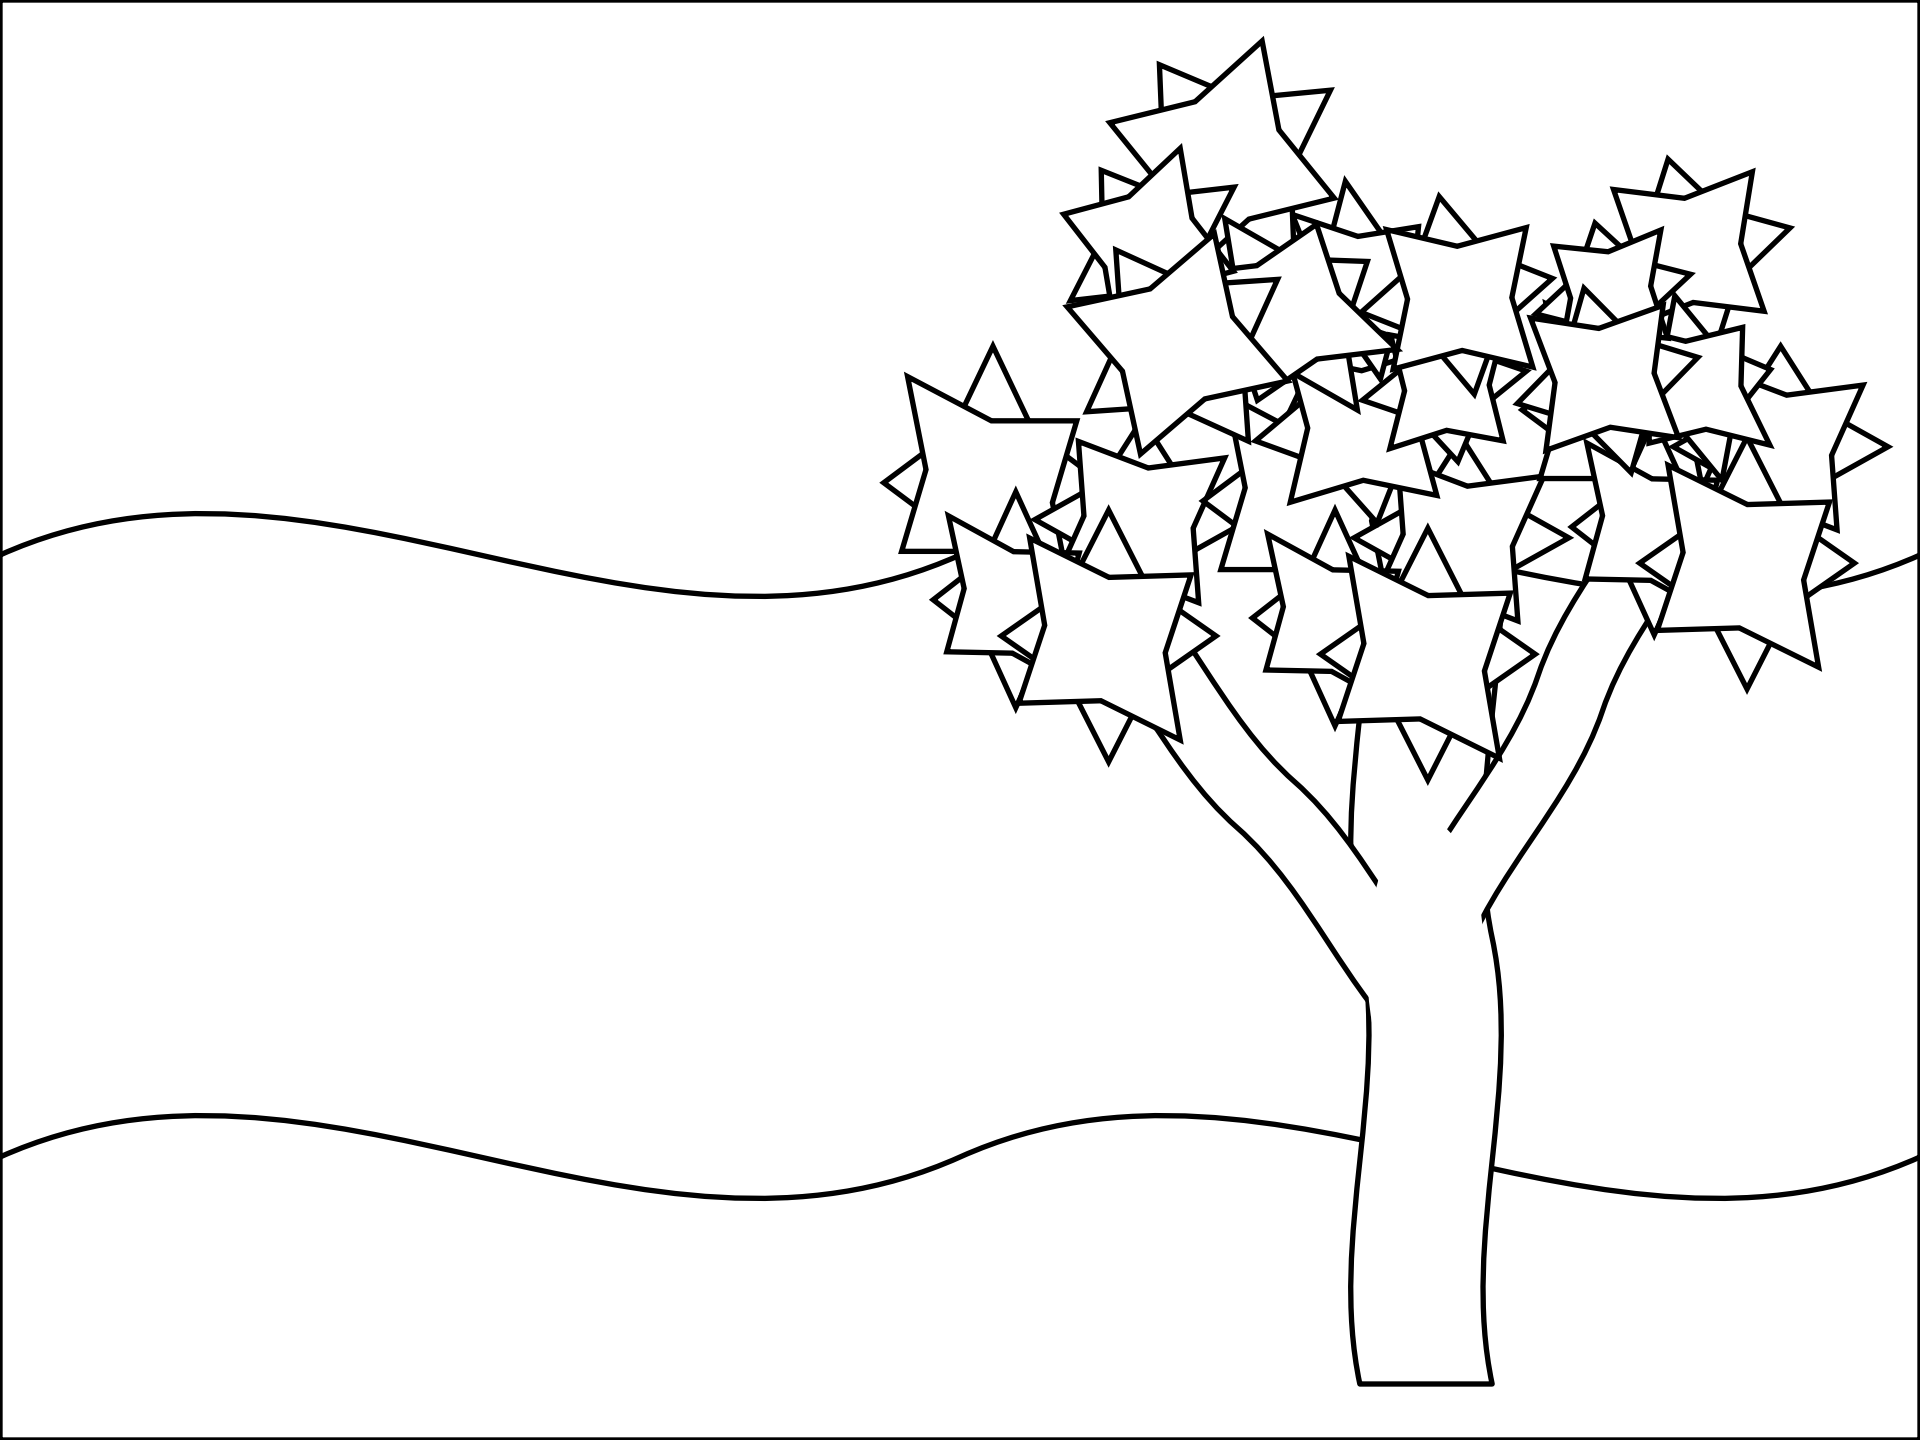

"Don't kill the little birds,
That sing on bush and tree,
All thro' the summer days,
Their sweetest melody.
Don't shoot the little
birds!

The earth is God's estate,
And he provideth food
For small as well as great.
