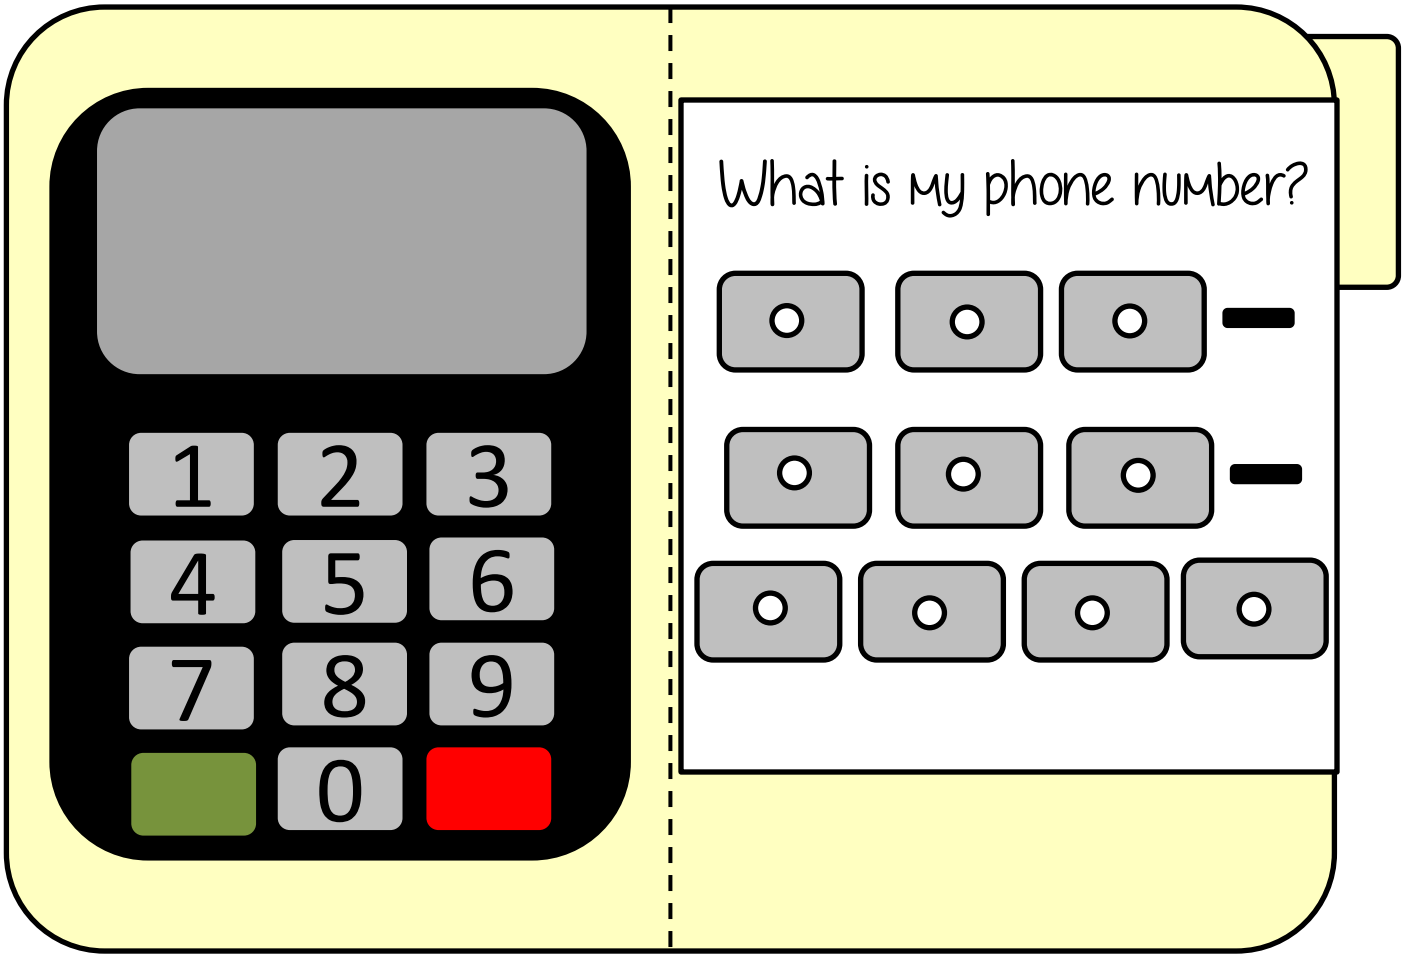
Set of 3 numbers


Instructions:
Page 1: Copy and paste on outside of Folder
Page 2: Copy, cut and paste on inside cover of file folder
Page 3:Copy, cut and paste on inside cover of file folder
Laminate: Put sticky Velcro (rough side) on small white dots.
Page 4: Copy enough sheets to give you enough numbers for your phone number. Each sheet has a set of 3 numbers. Cut, laminate, cut again and put sticky Velcro on back (Soft side) of the numbers you need. Keep in baggie.
