

D&C 76:70

These are they whose bodies are celestial, whose glory is that of the sun, even the glory of God, the highest of all, whose glory the sun of the firmament is written of as being typical.

The celestial kingdom is the highest kingdom. It has a glory compared to the brightness of the sun.

D&C 76:71

And again, we saw the terrestrial world, and behold and lo, these are they who are of the terrestrial, whose glory differs from that of the church of the Firstborn who have received the fulness of the Father, even as that of the moon differs from the sun in the firmament.

The terrestrial kingdom is the middle kingdom. It has a glory compared to the brightness of the moon.

D&C 76:81

And again, we saw the glory of the telestial, which glory is that of the lesser, even as the glory of the stars differs from that of the glory of the moon in the firmament.
