# Oh, What Do You Do on the Sabbath Day?

Sung to the tune of “Oh, What Do You Do in the Summertime”

Children’s Songbook page 245

Oh, what do you do on the Sabbath Day?

When the week is done?

Do you go to your church,

Or sing in a choir,

Or learn about Jesus’ life?

Is that what you do? So Do I.

Oh, what do you do on the Sabbath Day?

When you’re home from church,

Do you lie in your bed, or read scriptures instead,

Or play a new game inside?

Is that what you do? So Do I.

Oh, what should you do on the Sabbath Day?

The Lord has told us all,

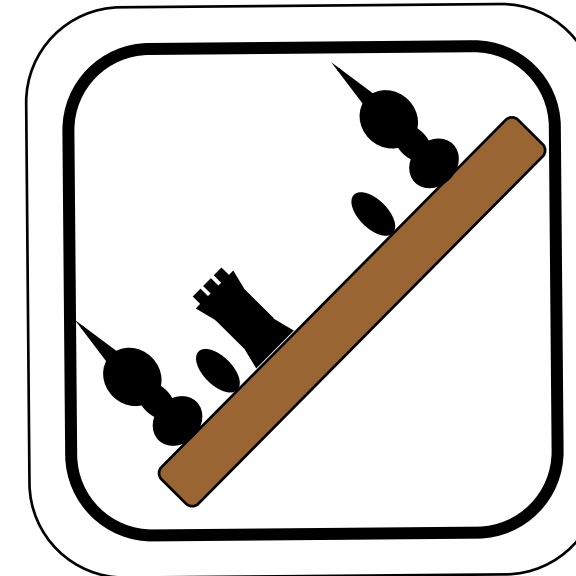

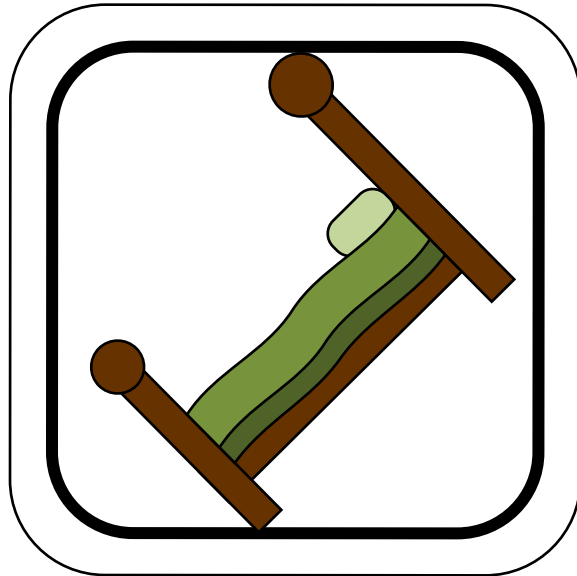

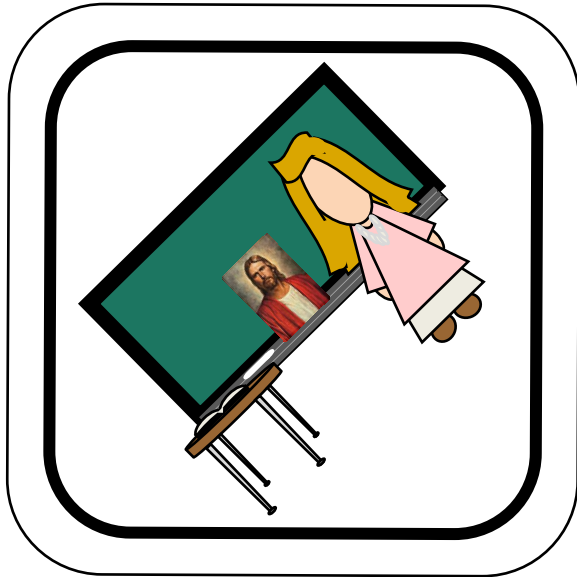

We worship at church, and visit the sick,

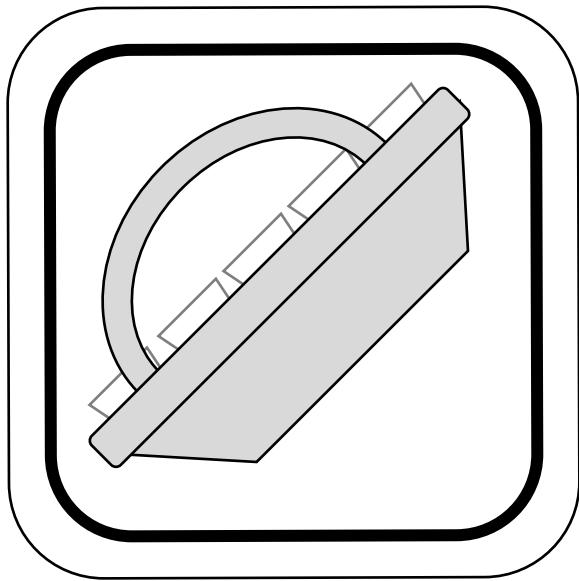

And be at your family’s side,

Is that what you do? So do I.
