Annoyed

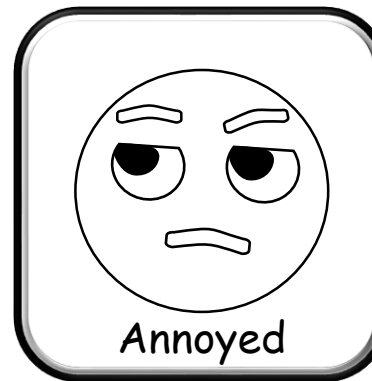

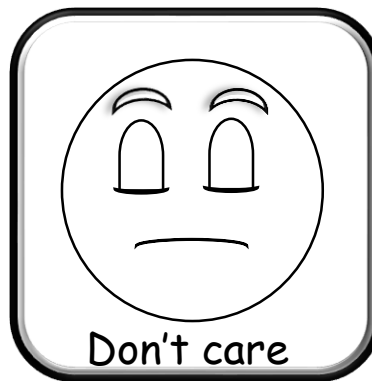

Make your own face

## **Instructions:**

**There are several things you can do for a lesson**

**Show the children the faces and ask how they would help someone**

**Have them pick a face and act out that emotion in helping someone**

**Use the large pictures for a matching game. Copy 2 of each.**

**Use page 6 or 7 for a handout and have them circle the cheerful face in the middle to demonstrate how we can help others**

I can cheerfully give  
to people in need  
2 Corinthians 9:7
