

Ether 12:6

Ether 12:6

Ether 12:6

Idea:

Copy page 2, use page 3 (set of 4) as a guide

Write letter under the braille dots to reveal the scripture

If time permits you can put jewel stickys on the dots so they can feel them

Page 5 blank...have them fill in the braille using the guide page

You can punch out back the black with a pencil and feel it on the front of the paper.
