History Lesson 35  
The Nauvoo Temple Is Used for  
Sacred Ordinances

In January 1841 Joseph  
Smith received a revelation  
commanding the Saints to build a  
temple in Nauvoo, Illinois

Several upstairs rooms of the Nauvoo Temple  
were finished and dedicated for endowment  
work at the end of November 1845, and the  
first endowments were given a week and a  
half later.

Members of the Church made  
many sacrifices to help build the  
Nauvoo Temple.

One of the sacred temple ordinances is  
called the endowment. This ordinance  
helps us become more like Heavenly  
Father and prepares us to live in the  
highest degree of the celestial kingdom.

In September 1846 a mob of fifteen hundred enemies of the Church took over the temple and ruined it
