The Holy Ghost will help us to know what to do when we have hard choices to make	The Holy Ghost will help you when you are afraid of something	The Holy Ghost can make you feel happy when you have felt sad	The Holy Ghost can protect you when you might be in danger	The Holy Ghost will help us build our testimonies
The Holy Ghost can help us understand the scriptures	The Holy Ghost can tell in your heart you when something might be wrong	The Holy Ghost can help us obey the commandments	The Holy Ghost can always be with us when you choose the right	The Holy Ghost will be with you when you pray
