questions on back

1. Thomas climbed over a fence on his way home from school and tore his best pants. He knew his mother would be upset because she had told him many times not to climb the fence in his school clothes. What should Thomas do?

2. Karin's mother gave her two pieces of candy, one for her and one for her sister. While her sister was gone, Karin ate both pieces of candy. What should Karin do?

3. Ben went to his friend's house to play, but his friend was not home. As Ben was leaving, he saw one of his friend's toys in the yard. Ben took the toy home and played with it. What should Ben do?

4. Rachel found a purse on her way to school. Later when a girl asked if she had seen the purse, Rachel said, "No." What Should Rachel Do?

5. Philip was playing in the backyard with his brother. His brother did something that Philip didn't like, and Philip hit him and made him cry. What should Philip do now?

Cut out Situations and paste on back of Beans. Have the kids pick out the beans and help read and answer the questions
