

Set of 2

Nativity scene activity:

Copy off people and animal page 1

Cut and laminate.

Copy page 2 and 3. paste in file folder matching star.

Laminate.

Put round Velcro (sticky back) in various places of the manger scene.

Match Velcro circles with backs of people and animals.

Punch hole in file folder around the edges making sure the ribbon can stretch long enough to a certain spot. String ribbon in holes and tie knots to secure.

Punch hole in people and animals and attach end of ribbon to these.

You may want to attach ribbons on both sides of folder.
