See instructions for making the booklet  
 Copy and cut one for each child. You may have to fold  
 for them. Use the dotted red line to cut.

How to make the booklet

See individual Popsicle Stick Figures in Categories on Webpage

**How to Make a Six-Page Book With One Sheet of Paper!**

1. One sheet of white paper.  
 12" X 18" is a good size to use.

2. Fold in half lengthwise. Also known  
 as a "Hotdog Fold".

3. Fold in half again.

4. Fold in half again.

5. Now you have a very small folded  
 sheet of paper. But it isn't a book yet.

6. Unfold everything. Now it is a big sheet of  
 paper with lots of fold lines.

7. Fold in half in the middle- this time a "Hamburger Fold".  
 Make a mark with your pencil in the center of the folded  
 sheet. Take your scissors and cut from the *folded edge* to the  
 center dot. Stop cutting at the dot!

8. Unfold your sheet of paper. It should look  
 like this with an open slit in the middle. Fold  
 it in half length-wise again. (Hotdog Fold.)

9. Push folded edges towards center allowing the slit to open  
 up into a diamond shape.

10. Keep pushing edges together until  
 diamond becomes a slit again,  
 perpendicular to folded edges.

11. Fold one edge toward slit and  
 the opposite slit toward folded edge.

12. Be sure to go over the creases  
 to make them sharp. Now you  
 have a small six-page book!
