As a Child of God (song by Janice Kapp Perry)

1. I came to earth with power to choose.
Good choices bless me and my family too.

Chorus:

As a child of God, I receive special light
The Holy ghost helps me to know what is
right.

2. I feel so safe and happy because
Such feelings of peace come from family love

Chorus:

3. In my own home I'll happily serve.
I'll strengthen my family by my good works.

Chorus
