Cut out  
triangle

Set of 4

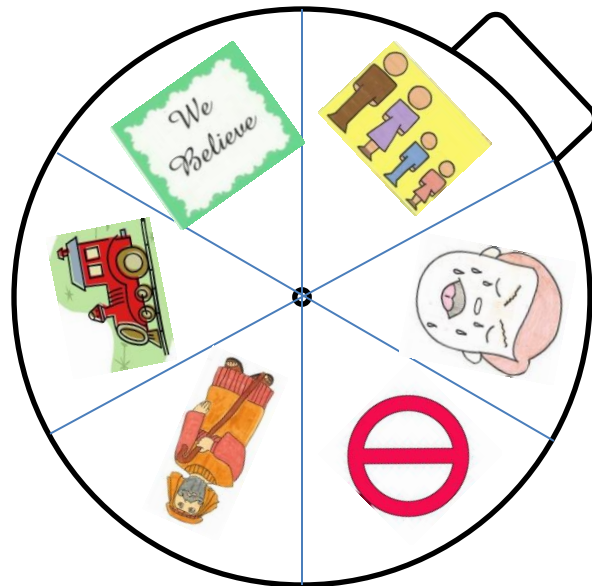

Picture size for 6 pictures

# Pie Template for teaching.

## Instructions:

Copy on cardstock for best results. Design lesson or song using the triangles for pictures.  
Cut and paste on computer (I use Power Point.) Make sure your picture fits in the triangle.  
Cut circles...paste pictures...or have them already on circle...color...etc. Put together using a  
brad. Make your top circle your subject of what you want to teach.  
There is a template for 8 pictures or words and one for 6 pictures or words. The rectangles  
are to help you size your words or pictures. Be creative...
