X

I wonder when he comes again.

Will herald angels sing?

Will earth be white with drifted snow, or will  
the world know spring?

I wonder if one star will shine far brighter than  
the rest.

Will daylight stay the whole night through

Will songbirds leave their nests?

I'm sure he'll call his little ones together round  
his knee, because he said in days gone by,  
"Suffer them to come to me."
